## 3. Conclusion

| No. | Test Parameter(s)                                                 | Conclusion |
|-----|-------------------------------------------------------------------|------------|
| 1.  | Types and Classes                                                 | Class 1    |
| 2.  | Specific Design Requirements for Garments Covering Only the Torso | Pass       |
| 3.  | Colour Fastness to Rubbing                                        | Pass       |
| 4.  | Colour Fastness to Perspiration                                   | Pass       |
| 5.  | Colour Fastness to Laundry                                        | Pass       |
| 6.  | Dimensional Change                                                | Pass       |
| 7.  | Design                                                            | Pass       |
| 8.  | Comfort                                                           | Pass       |
| 9.  | General Size Designation                                          | Pass       |

Notes: Pass = Meet Requirement  
# = No Comment  
N/A = Not Applicable

Fail = Below Requirement  
- = Did Not Perform

Remark: (1) Samples are tested as received.
